VANGUARD FLEET OUTFITTERS

SB-1800 Heavy-Duty Service Body

Marine-grade aluminium tool storage that replaces your ute tub or tray

The SB-1800 turns a dual-cab or single-cab ute into a secure mobile workshop. A full lockable enclosure in 2.5mm 5052 marine-grade aluminium, with dual gullwing doors opening onto a central aisle so you reach your tools from either side.

Chassis-mount subframe with a channel to suit the 1500mm sliding trundle drawer.

FULL OUTFIT PACKAGE AVAILABLE

Includes trundle drawer, underbody box pair, mud guards, ladder rack and universal mounting kit.
